

All call rates detailed below are based on your account being setup to receive incoming calls using a UK landline number with a 01 or 02 prefix.

\*When receiving incoming calls on a mobile number (any network) an additional 0.13 GBP per minute will be incurred on all rates below.

\*When receiving incoming calls on a non geographic number an additional 0.11 GBP per minute will be incurred on all rates below.

\* **Free calls** to the value of £15.00 excluding Vat per month are bundled with every Echo Click2Call account. Bundled call allowance and subsequent call charges are based on the rates as detailed below.

## UK National & International Call Rates

## All Call Rates Per Minute in GBP ex VAT

### UK National (Land Line)

National 01 & 02 prefixes	0.05
Local 01 & 02 prefixes	0.05

### \*UK National (Non Geographic)

Local Rate-Other - 0845	0.11
National Rate-Other - 0870	0.14
National Rate-Other - 0871	0.14

### \*UK Mobile (Any Network)

0.22
